

Guesty Ranked Number 234 Fastest-Growing Company in North America on the 2024 Deloitte Technology Fast 500™

Attributes 508% Revenue Growth to innovation and delivering value in the dynamic property management space.

Covina, CA, November 21, 2024 — Guesty today announced it ranked 234th on the [Deloitte Technology Fast 500™](#), a ranking of the 500 fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies in North America, now in its 30th year. Guesty grew 508 % during this period.

Guesty's Chief Executive Officer, Amiad Soto, credits its ability to drive innovation and deliver value in the dynamic property management tech space to the company's 508% revenue growth. He said, "This recognition as one of Deloitte Fast 500 is a proud milestone for Guesty and a reflection of our commitment to excellence and innovation. Our vision has always been to empower property managers and hospitality providers with the cutting edge tools to succeed, and this acknowledgment highlights the impact of our mission. We're grateful to our team, partners, and customers for helping us lead the way in redefining the future of the short-term rental and property management industry."

"For 30 years we've been celebrating companies that are actively driving innovation. The software industry continues to be a beacon of growth, and the fintech industry made a strong showing on this year's list, surpassing life sciences for the first time," said [Steve Fineberg](#), vice chair, U.S. technology sector leader, Deloitte. "Significantly, we also saw a breakthrough in performance of private companies, with the highest number of private companies named to the list in our program's history. This year's winners have shown they have the vision and expertise to continue to perform at a high level, and that deserves to be celebrated."

"Innovation, transformation and disruption of the status quo are at the forefront for this year's Technology Fast 500 list, and there's no better way to celebrate 30 years of program history," said [Christie Simons](#), partner, Deloitte & Touche LLP and industry leader for technology, media and telecommunications within Deloitte's Audit & Assurance practice. "This year's winning companies have demonstrated a continuous commitment to growth and remarkable consistency in driving forward progress. We extend our congratulations to all of this year's winners — it's an incredible time for innovation."

About the 2024 Deloitte Technology Fast 500

Now in its 30th year, the Deloitte Technology Fast 500 provides a ranking of the fastest-growing technology, media, telecommunications, life sciences, fintech, and energy tech companies — both public and private — in North America. Technology Fast 500 award winners are selected based on percentage fiscal year revenue growth from 2020 to 2023.

In order to be eligible for Technology Fast 500 recognition, companies must own proprietary intellectual property or technology that is sold to customers in products that contribute to a majority of the company's operating revenues. Companies must have base-year operating revenues of at least US\$50,000, and current-year operating revenues of at least US\$5 million. Additionally, companies must be in business for a minimum of four years and be headquartered within North America.
